PRODUCT DETAILS

The NRS System consists of three products:

MODULE 1

Consists of a booklet on how to implement the System plus a CD containing all Worksheets for print output, including:

- NRS System Policy Template
 - the policy template to support the procedure
- NRS System Tool
 - categorises each resident's level of nutritional risk as being Low, Moderate or High
- NRS System Management Strategies Chart
 - what to do after applying the NRS Tool
- NRS System Interventions Guide
 - guides the decision-making for the most appropriate intervention for each resident
- NRS System Monitoring & Evaluation Guide
 - monitors and evaluates the effectiveness of the intervention
- NRS System Administration Guide
 - both describes and provides guidelines for the administration of the Level 1, Level 2 and Level 3 interventions
- NRS System Audits
 - audit templates for monitoring within-facility performance

MODULE 2

Module 1 plus:

- NRS System Benchmarking Service
 - for monitoring performance with external organisations

NRS SYSTEM SAMPLE BOOKLET

Contains a sample page of each section of the System excluding the worksheets.
